

POLICY RELATING TO PUPIL SERVICES

STUDENT PUBLICATIONS

The Wachusett Regional School Committee recognizes and supports student publications and other literary activities that give students an experience in journalism.

The School Committee recognizes that the District must maintain a level of objectivity deemed to be in the best interest of the community and, to this end, the following procedures are in effect:

1. No school publication will accept advocacy or political advertising.
2. All advertising is subject to review and approval by the principal or a designee relative to content and appropriateness.
3. Final editorial control and approval of all materials intended for publication are the responsibility of, and may be subject to the approval of, the school administration.
4. This policy shall be referenced in the “Student Handbook”.
5. A statement indicating the editorial control by the school administration regarding all advertising will be included on order forms or other similar correspondence.
