

POLICY RELATING TO PUPIL SERVICES

ALTERNATE STUDENT TRANSPORTATION

It shall be expected that students will go to and from school by the same means on a daily basis. A parent or high school student may choose an alternate mode of transportation over which the school system has no authority. Therefore, a choice to use an alternative form of transportation other than the school bus shall be at the risk of the parent and the student.

Procedures for requesting alternate transportation to and from school shall be contained in the student handbook. The high school student will be responsible to inform parent/guardian on taking a late bus or alternate means of transportation

K-8 students will be required to present written permission notice to the school from parent/guardian when using alternate means of transportation.

In case of emergencies, oral notification will be an acceptable alternative with the administration making a written record of the notification.

All high school students applying for a parking sticker and using a personal vehicle to transport other students will be required to carry personal liability insurance on the vehicle in the amount of \$100,000 - \$300,000.
